

Light of Life Mennonite Church Farmington, NM

It has been another exciting year at Light of Life Mennonite Church in Farmington, NM. In addition to our regular Sunday Morning Worship, we continue to have an active mid-week Bible Study group that gets together for prayer and Bible study. We have recently studied through I John and I & II Peter and Proverbs as well as going through the book *One Month to Live* and discussing several other topics of interest along the way. We also continue to serve meals at Frontline Missions Soup Kitchen on the 4th Saturday of each month and find this to be both a challenging and fulfilling experience.

AWANA Children's Club

This year marked the beginning of an AWANA Children's Club at our church. Clubs was held every Wednesday evening from mid-September until mid-May. We had an average attendance was about 15 with about 2/3's of them coming from outside our church family. It has really been exciting to see how the children have responded. We praise God for the opportunity to reach out to children of our community who have no other contact with God's Word.

Guatemala Mission Trip

The big project this year was our short term mission trip to Guatemala. Seven of us traveled to Guatemala where we performed a variety of services for the local people. We placed concrete floors in several huts, served at a soup kitchen, washed lice from dozens of children's heads and visited several orphanages. Our trip was organized through Hands of Hope, a medical ministry to a poor rural village. It was an eye-opening experience and we were glad for the opportunity to go.

Tina Begay, a long-time member of Light of Life, was installed on the Mennonite Church USA Executive Board at the Bi-Annual Convention in Columbus in July. She is looking for ways to carry your voice to the Mennonite Church USA Leadership in the months to come.

As we move forward, we appreciate your support and covet your prayers as we together seek God's will for ourselves, our communities and our world.
